

REMARKS

With the above amendments, the specification has been amended to incorporate the International and German priority applications by reference, and to place it in better form for examination. The claims have been amended to delete multiple dependency and place them in better form for examination. The drawings have been amended to provide an English caption.

Accordingly, it is believed that the application is in good condition for examination. Questions are welcomed by the below-signed attorney for applicant.

Respectfully submitted,

GRIFFIN & SZIPL, P.C.
